

WEEK TEN

THE NINTH COMMANDMENT

“You shall not give false testimony against your neighbor.” **Exodus 20:16**

MAN ON THE STREET QUESTION

When do you think it is OK to lie? What’s the last lie you told?

SUMMARY

I am not going to lie to you, it’s really hard to tell the truth all the time. But we should.

SMALL GROUP QUESTIONS

1. What do you consider a lie? Or how would you define false testimony? How would our culture define it?
2. Can you explain how dishonesty has impacted the relationships that you have? Did one in particular spring to mind that you would like to share with the group that needs healing from dishonesty?
3. How would your world change if you could depend on everyone else telling the truth?
